

REMARKS

The Final Office Action mailed May 8, 2002 ("the Final Office Action") and the Advisory Action mailed August 22, 2002 were received and reviewed. Claims 19 and 20 stand rejected. Applicants, however, respectfully maintain that claims 19 and 20 are patentable over the references cited by the Examiner in the Final Office Action for the reasons set forth in Applicant's response mailed August 8, 2002. In addition, Applicants have herein amended the present application to include new claims 37 through 50, and Applicants believe such new claims are in condition for allowance. Applicants, therefore, Applicants respectfully request reconsideration of the present application in light of the amendments provided herein in combination with the remarks previously provided.

Respectfully Submitted,

Samuel E. Webb
